Galicia Event

The Forum was organized by Mario Alonso Hermo (5th Dan of Koshu-Ryu Kenpo) in order to unify the teaching program and included representatives from Spain, Chile, Argentina, Mexico, Portugal and Germany. The event joined around 300 Kenpo Students who had the opportunity to train with all present teachers, as well as with Soke Thomas Barro Mitose and Hanshi Mark Mitose. In addition, Mario Hermo organized a birthday party to Soke.

Also during the event, a Hall of Fame of the MIKKA SPAIN was held, which rewarded some outstanding students and teachers of Kenpo. Furthermore in this event, Mario Hermo presented the Degrees program of the Mitose Koshu Ryu which is being followed in Spain. Then, due to the Volcano eruption in Iceland, Soke and Hanshi had to remain in Galicia for a few more days. During this time, they were able to teach Mario Hermo the proper way of executing the Koshu-Ryu Katas. He now follows the program faithfully thanks to Soke and Hanshi's instructions.
